

HRSA Region 3 Announcements – November 2019

Thomas J. Engels Appointed HRSA Administrator

Thomas Engels was appointed Administrator for HRSA earlier this month. He had been serving as Acting Administrator since August. Before coming to HRSA, Mr. Engels was Deputy Secretary of the Wisconsin Department of Health Services from 2015 to 2019. In that role, he championed and oversaw the expansion of the state's capacity to provide mental health services, the implementation of a statewide electronic health record system and the reduction in staff shortages at long-term care facilities. He was also an active member of the Governor's Task Force on Opioid Abuse. [Read his bio](#)

HRSA Awards Ryan White HIV/AIDS Program Grants

HRSA has awarded approximately \$2.27 billion in Ryan White HIV/AIDS Program grants to cities, counties, states, and local community-based organizations in fiscal year (FY) 2019. This funding supports a comprehensive system of HIV primary medical care, medication, and essential support services to more than half a million people with HIV in the United States. HRSA Awards NHSC Scholarship and Loan Repayment to Support Health Workforce

HRSA has awarded \$319 million in scholarship and loan repayment for clinicians and students through the [National Health Service Corps](#) (NHSC). With these providers entering NHSC service, there are now more than 13,000 medical, dental and behavioral health care clinicians providing quality care to more than 13.7 million Americans in rural, urban and tribal communities. This year's awards significantly expand the NHSC's efforts to combat the opioid epidemic in areas of greatest need.

Highlighted programs supported by this award include:

- [National Health Service Corps Loan Repayment Program](#) (\$156.7 million) provides 4,012 new and 2,385 continuation awards to fully trained, licensed primary care providers (medical, dental, and mental and behavioral health) in exchange for providing primary health care services in an area of greatest need.
- [National Health Service Corps Substance Use Disorder Workforce Loan Repayment Program](#) (\$66.0 million) provides 1,074 new awards to recruit and retain health professionals in underserved areas to expand access to substance use disorder treatment and prevent overdose deaths.
- [National Health Service Corps Rural Community Loan Repayment Program](#) (\$14.1 million) provides 174 new awards to health care providers working to combat the opioid epidemic in the nation's rural communities.
- [National Health Service Corps State Loan Repayment Program](#) (\$19.0 million) provides cost-sharing grants to 41 states and two territories (including all Region 3 states and DC) that operate their own loan repayment programs, funding 1,957 new and continuation awards.
