APPLICATION FOR A RECOVERY RESIDENCE
CERTIFICATE OF COMPLIANCE

IMPORTANT: PLEASE READ INSTRUCTIONS BEFORE COMPLETING THIS APPLICATION

In accordance with HB 1411, all residential facilities considered as "recovery residences" must receive a certificate of compliance from the Maryland Behavioral Health Administration on or before October 1, 2017. Enclosed you will find an application which must be completed by any applicant seeking a certificate of compliance for a recovery residence.

"Recovery Residence" means a service that provides alcohol-free and illicit drug-free housing to individuals with substance-related disorders or addictive disorders or co-occurring mental health substance-related, or addictive disorders. Recovery residences provide Marylanders housing in a safe and healthy environment that supports residents in initiating and sustaining their recovery. Recovery residences, though, formal and informal peer support, empower, strengthen, and sustain the emergent healthy lifestyles of residents as they transition toward independent and productive lives in their respective communities.

Before applying for certification, please review the Documentation Checklist on BHA’s website https://bha.health.maryland.gov/Pages/Recovery-Residences.aspx to identify documentation requirements. A separate application is required for each service site location.

Please type or print legibly all required information. Failure to fill in required information or provide supporting documentation will delay the application being processed until all required information is received. Please retain a copy of the application and attachments for your files.
