AGENDA

3:00 - 3:10 Roll Call, Agenda Review (Sara)

- Welcome
- Introduction to Ana Lazarides
- Approval of July 27, 2020 Meeting Minutes

3:10 - 3:25 Feedback on MME Data (Ana/Anna)

- Thanks for providing feedback
- Summary of responses

3:25 – 3:40 Morphine Milligram Equivalents (MME) Data Review (Vijay)

- Data for June 2020- August 2020

3:40 - 3:55 Discussion on MME metric options

- Questions to support discussion
 - Should the TAC and the Office of Provider Engagement and Regulation (OPER) move forward with developing a metric based on (which behavior should we prioritize sending educational letters to address):
 - Prescribers who write a large number of high risk prescriptions to many patients OR
 - Prescribers writing prescriptions to patients receiving high average MME/day?
 - Which could have the biggest impact on reducing adverse events such as overdose?
 - Which metric is more likely to influence provider behavior?

3:55 - 4:00 Public Comments

4:00 Adjournment

Next Meeting:

TBD: Please look for the Doodle Poll from Tryphena Barnes for 2021 Meeting Dates.
