

Primary & Part Time Addictions Counselors- Tranquility Woods

Job Description

Tranquility Woods, a premier inpatient treatment center in Pasadena Maryland, has openings for full and part time Addictions Counselors.

The primary counselor position in our Residential setting focuses on intensive individual, group, and family work. Our clinical staff partakes in the entire continuum of our therapeutic services while the client is with Tranquility Woods. Including but not limited to, the intake assessment, individual therapy, group, and family counseling/education.

Meet with client multiple times a week to provide therapeutic individual sessions and addictions counseling.

Accurately evaluate individuals through a series of assessments, including a bio-psychosocial comprehensive (Intake) assessment, to establish appropriateness for treatment in this program

Ensure that individuals are psychologically stable prior to and while in treatment.

Documentation for individual, group, and insurance needs in accordance with all regulatory state and agency standards

Encourage family members, and other significant persons to participate in treatment and to evaluate their co-dependency/ co-addiction during the treatment process.

Provides crisis intervention, if and/or when needed

Provide guidance and support to clients, providing positive interventions while nurturing personal growth and dignity of persons served

Ability to address individual social issues, and self-actualization issues as prime and individual progress permits, identifying and planning for continuing treatment in these areas after discharge

Provide Case Management and personalized referral skills to best help clients prepare for the most appropriate aftercare as part of our comprehensive services and support.

Addiction Treatment experience is desired. Able to hire professional with Clinical experience as Licensed Social Worker or Professional Counselor. Current certification in good standing as an Addictions Counselor (CSC-AD, CAC-AD, LCADC) from the Maryland Board of Professional Counselors and Therapist preferred. Candidates with trainee status and significant experience in the areas listed above will be considered.
